SOILS TRAINING COURSE

The OTN conducted a soils training course for architects, engineers, code enforcement officers, contractors and regulators at the Wayne Town Hall on April 1, 2009.

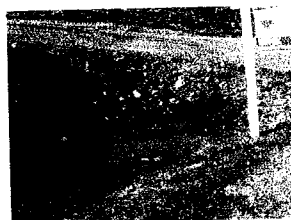

The course was well received. Since the course we have seen positive results in the field by engineers and contractors.

JUNE 2, 2009

Many of the participants also went to the design course, a two day event in Canandaigua endorsed by Ontario County SWCD and the Canandaigua Lake Association.

INSPECTIONS

Inspections are just starting to increase as responses to the letters start coming in.
